date and additional information
www.oneillangusfarm.com

- Over the past year my health has improved and our grandson, Matthew came back to the farm. He knows the herd as well as I do and with our grandson, Jordan we will charge on to the future!
- Building O'Neill Angus to a new dimension in the Angus breed. Cattle that are: line-bred for consistency, combining pounds, carcass premiums, docility, longevity, feet and legs, and designed to make a profit.

Maifeld Inc. our partner in many of our herd sires and females have Predominantly an O'Neill bred herd, using our genetics for 15 years. Market steers and heifers avg. 99.8% Choice and Prime, receiving a \$28 premium over dressed beef price, with carcasses weighing in the 870# range at 13 to 15 months.
